A Regulation Governing Setting Fee Schedules for Environmental Health Programs

RESOLUTION 201[?]: __ __

WHEREAS, the Union County Board of Health acting under the authority vested in it by Ohio Revised Code Section 3709.21 of the Ohio Revised Code may adopt regulations necessary for the public health and safety and the prevention and restriction of disease; and,

WHEREAS, the Union County Board of Health, acting under the authority vested in it by Ohio Revised Code Section 3709.09 may establish a uniform system of fees to pay the costs of any services provided by the board; and,

WHEREAS, the Union County Board of Health provides services relating to the public health and safety and the prevention and restriction of disease, including, but not limited to, private water systems, water haulers, water sampling, sewage treatment systems, recreational vehicle parks and campgrounds, pools and spas, food service and food establishment operations, plumbing, and tattoo and body piercing establishments; and

WHEREAS, License fees for food service and food establishment operations are adopted in the form of rules under authority of Section 3717.01 thru 3717.99 of the Ohio Revised Code; and,

WHEREAS, Ohio Administrative Code section 3701-21-02.2 requires an annual cost analysis with prescribed cost methodology for Food Service Operations/Retail Food Establishment fees; and,

WHEREAS, Administrative Code Section 3701-29-05 has granted authority to local health departments to established fee categories related to the regulation and permitting of household sewage treatment systems; and,

WHEREAS, the Union County Board of Health has conducted the cost analyses as required by law and determined the following fees are necessary to cover the costs of administering the environmental health programs.
