UC MOVES Coalition

UC MOVES is a group of people who live and work in our community and are passionate about bringing safe, convenient, accessible, affordable, and efficient transit options to our community.

Transportation isn't just a big city problem.

"I always have to ask for a ride. I feel like a burden."

"I can't afford insurance, let alone a car."

Union Co. MOVES Coalition
Mobilizing Our Vehicles for Equitable Solutions

"I can't find a ride home from work after 5:00pm."

"I can't keep a job because my car keeps breaking down."

**TIME TO
CELEBRATE**

Ohio Loves Transit Week February 9th-15th

The week of February 9th is an opportunity to demonstrate how much we appreciate our transportation providers. Be sure to show your providers and drivers some love by telling them thank you for all of their hard work and dedication to get you from point A to point B. As part of this week, on February 11th, the Ohio Mobility Managers will be meeting with legislation to talk about transportation for each of their delegated counties. This will provide an opportunity to voice the positive stories of the local transit agencies as well as advocate for additional resources to leave no one behind.

If you have a story that you would like for your Mobility Manager to share, please contact Jenni Fauber @ (937)645-2063 or jennifer.fauber@uchd.net

2024 Golden Nugget Award

The Golden Nugget Award was established in 2022 to be awarded to a Union County transportation provider who goes above and beyond to support the community in transportation needs. The 2024 recipient was voted upon by UC MOVES Coalition members to allow for their voices to be heard.

The nomination for 2024 went to a transportation provider that is always willing to take an extra step and is not afraid to explore uncharted territory to do what can be done to get an individual to where they need to go. Through hard work and dedication, it is my honor to present Penny Wood with A Way Out Transportation with the 2024 Golden Nugget Award. Penny also received this award in 2023 and has made a name for herself in the local transportation community. This award is well deserved and Union County extends its gratitude to Penny and her team for providing safe, reliable, and affordable transportation.

Penny started in 2016 with A Way Out Employment Services, LLC. About five years ago she decided to take the leap and start providing transportation within Union County as a way to get the individuals she helps employ to their jobs. Penny has since expanded transportation services to all Union County residents to meet the needs of the community. She and her husband coordinate over 1,000 trips per month in which she and her drivers work diligently to get these individuals where they need to go.

Thank you Penny for all you do for our community!

Do you have some extra time and are interested in a volunteer opportunity?

EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work and need to get home quickly.

The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on gohiocommute.com/morpc.
