What is the UC MOVES Coalition?

UC MOVES is a group of people who live and work in our community and have a passion for bringing safe, convenient, accessible, affordable, and efficient transit options to our community.

Transportation isn't just a big city problem.

"I always have to ask for a ride. I feel like a burden."

"I can't afford insurance, let alone a car."

Union Co. MOVES Coalition
Mobilizing Our Vehicles for Equitable Solutions

"I can't find a ride home from work after 5:00pm."

"I can't keep a job because my car keeps breaking down."

Hours of Operation

**Thanksgiving will be here
before you know it!**

**Be sure to check with your
transportation provider for hours of
operation for the holiday season!**

Are you unsure about using transportation services or want more information on what's available in Union County?

If you answered yes, there is help!

Having our own transportation is something many Americans take for granted. Not many of us think about what happens if we can no longer drive or have a way to get to where we want to go. Transportation services can play an important role in getting you to your destination, improving quality of life and enhancing independence.

Many aging adults and individuals with disabilities will not leave their homes because they are intimidated, embarrassed, or just do not know how to use transportation services. This is a barrier the UC MOVES Coalition wants to overcome. We are invested in helping people understand what transportation services are available and how to use them.

The Union County Mobility Manager can help you jump the transportation barriers.

EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work and need to get home quickly.

As of Jan. 1, 2024, the ERH program changed to improve flexibility and provide users with additional options when securing their rides home. The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on gohiocommute.com/morpc.
