# EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work and need to get home quickly.

As of Jan. 1, 2024, the ERH program changed to improve flexibility and provide users with additional options when securing their rides home. The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on [Gohiocommute.com/morpc](https://Gohiocommute.com/morpc).
