UC MOVES Coalition

UC MOVES is a group of people who live and work in our community and are passionate about bringing safe, convenient, accessible, affordable, and efficient transit options to our community.

Transportation isn't just a big city problem.

"I always have to ask for a ride. I feel like a burden."

"I can't afford insurance, let alone a car."

Union Co. MOVES Coalition
Mobilizing Our Vehicles for Equitable Solutions

"I can't find a ride home from work after 5:00pm."

"I can't keep a job because my car keeps breaking down."

Preparing for the Future

Looking to the future, it is estimated nearly 20% of the population will be 65 and older. Of that 20%, almost a quarter will not be driving. This brings us to the question; how are we going to support this increasing number of non-drivers? For nearly 4 years, UC MOVES has been focusing on this question.

Through strong partnerships with transportation providers, there have been many successes in helping aging adults get where they need to go. But, there are still unmet needs and gaps in services. Union County's transportation providers, stakeholders, and UC MOVES continue to work to overcome barriers and find solutions to bridge these gaps.

We believe transportation is an important part of living a healthy, happy, and fulfilling life. Lack of transportation should not prevent someone from going to a medical appointment, being part of a community event, or going grocery shopping. UC MOVES and our partners will continue to work within our capacity to meet the transportation needs of everyone!

It is UC MOVES vision to:
"Enhance and develop infrastructure where transportation is accessible to all people for all reasons."

EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work and need to get home quickly.

The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on gohiocommute.com/morpc.
