The Mobility Monthly

The Mobility Monthly is a newsletter created by the UC MOVES Coalition.

UC MOVES is a group of people who live & work in our community and are passionate about bringing safe, convenient, accessible, affordable, and efficient transit options to our community.

The Mobility Spotlight

UCATS

The Union County Agency Transportation Service (UCATS) has been providing transportation to residents since 1999. As a government agency, UCATS is dedicated to strengthening the community by supporting individuals and families through compassionate, demand-response transportation. Currently, operating hours are 8 AM to 4:30 PM. UCATS offers rides to eligible Union County residents for medical appointments, errands, and other essential needs. Transportation is available to seniors aged 60 and over, individuals with an ADA disability, the Veterans Services Commission, Union County Department of Job & Family Services, and Facilities with a UCATS contract. Funding for trips comes from multiple sources. Some of the sources are federal, state, and local grants, ensuring essential rides remain free of cost and accessible to the community.

New client paperwork must be filled out and received prior to scheduling a ride. Paperwork can be found at unioncountyohio.gov/ucats or requested over the phone or in-office at 940 London Avenue, Marysville. To schedule a ride, contact the UCATS dispatch line at 937-642-5100 or toll-free at 877-488-2287. Approval of each trip is based on availability. When scheduling, please allow at least one working day (24-hour) notice for in-county transportation and three working days (72 hours) for out-of-county transportation. We look forward to hearing from you soon!

Do you have some extra time and want to make a difference?

If you said yes, Rideconnect might be the perfect match for you!

Rideconnect is a volunteer program to help transport individuals to medical and non-medical appointments and work.

Rideconnect's goal is to eliminate gaps that exist because of the lack of cross-county and region-to-region transportation.

Drivers are urgently needed in Union County!

EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work, and need to get home quickly.

The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on gohiocommute.com/morpc.
