The Mobility Monthly

Mobility Monthly is created by the UC MOVES Coalition.

UC MOVES is a group of people who live & work in our community and are passionate about bringing safe, convenient, accessible, affordable, and efficient transit options to our community.

Union County Workforce Transportation Survey

UC MOVES Coalition is conducting a survey across Union County to assess the need for workforce transportation. The results will be used to determine the number of individuals who do not have reliable transportation on a regular basis to their job site. Your feedback is important and critical to the future of workforce transportation in Union County. This survey is confidential and does not collect any demographic data.

Just scan the QR code below to be directed to a short survey or click here!

Rethink Your Ride

Commute Smarter

Gohio Commute: A Robust Commuting Platform

Your commute to work can be so much more than fighting traffic. Gohio Commute, a program of the Mid-Ohio Regional Planning Commission (MORPC), will help you rethink your ride.

The Gohio platform equips commuters and companies with resources to help them explore the many commuting options available in Central Ohio. Take some time to explore the different ways you can commute, and how your ride can improve your health, save you money, and even help you be more productive.

No matter how you go, Gohio Commute can help you find a smarter way!

Preparing for Inclement Weather

How:

- Plan ahead
- Determine if it is necessary to leave home
- If you do leave your home, dress in layers, pack water and snacks, and check the fluid and gas in your vehicle if you are driving

When:

- Now! You never know when bad weather will hit or have a drop in temperatures.

Why:

- It is important to be prepared for your safety
- Bad weather can hit at any time, and being prepared will help reduce unnecessary burdens and delays.

Do you have some extra time and want to make a difference?

If you said yes, Rideconnect might be the perfect match for you!

Rideconnect is a volunteer program to help transport individuals to medical and non-medical appointments and work.

Rideconnect's goal is to eliminate gaps that exist because of the lack of cross-county and region-to-region transportation.

Drivers are urgently needed in Union County!

EMERGENCY RIDE HOME PROGRAM

The MORPC Emergency Ride Home (ERH) program is a free service that assures commuters taking alternative modes of transportation to and from work won't be stranded in the case of an emergency, illness, or unexpected overtime. It's a foolproof benefit meant to ease the minds of commuters who carpool or vanpool, bike, or take the bus to work, and need to get home quickly.

The program is now allowing registered users to take their emergency rides with the licensed rideshare provider of their choice (Uber, Lyft, or a taxi provider). Users will pay for the ride up front and be reimbursed via a mailed check within 4 weeks after uploading their receipt on gohiocommute.com/morpc.
